

To Whom It May Concern:

I highly recommend N2 Network Solutions for your computer consulting, networking, and IT outsourcing services. Senior Consultant, Jeremy Whittaker, has managed Make-A-Wish Foundation International's network planning, setup, and maintenance for the last few years.

N2 Network Solutions specialists have shown excellent communication skills to help determine our difficult and time sensitive issues. In addition, the team is extremely organized, reliable and timely. They work efficiently and are able to follow through to ensure that the job gets done.

Utilizing a professional company like N2 Network Solutions is a tremendous asset for any organization and they have my highest recommendation. If you have any further questions with regard to our experience with N2 Network Solutions, please do not hesitate to call me.

Sincerely,

Peter Finley
Vice President of Finance and Administration
